Earth Sanctuary Checklist of Birds

Date: _____ Time: _____

Weather: _____

Observers: _____

This daily field sheet lists the current status of species ever recorded from Earth Sanctuary. Species followed by “*” have been identified as breeding at Earth Sanctuary (using criteria established by the Audubon Society). Species followed by “**” have been identified as probably breeding at Earth Sanctuary. Please help keep this list current by reporting new species to Chuck Pettis at cpettis@earthsanctuary.org.
